

Naming Opportunities

The Welcome Center

RESERVED

Please come in! **The Welcome Center's** vestibule and lobby feature an inviting front door and a large window on the left side with a view of Kitten Kingdom. Guests are greeted upon arrival by our helpful Pet Pride team members and our friendly ambassadors and are invited to tour the building and meet our cats and kittens. Doors lead to Tabby Lane, where visitors can enjoy the Pride Portrait Gallery of distinguished feline alumni.

Kitten Kingdom

RESERVED

Our youngest guests get the royal treatment in **Kitten Kingdom!** This spacious realm offers regal enjoyment for kittens and visitors alike. Little monarchs have their own castle, and they run up and down drawbridges and play hide-and-seek in cubbies. A large window into the Welcome Center provides visual stimulation for growing kittens and entertainment for visitors. Additional windows offer kittens a view of the outdoors, with plenty of natural light and sunshine.

Pride Place Neighborhood

AVAILABLE

For the best block parties ever, visit the **Pride Place Neighborhood!** It is a short walk from the Welcome Center down Tabby Lane to this central square, which boasts five spacious rooms that house the happiest cats around. The neighborhood is home base for our adult cats, and they are free to spend time here or explore other areas in the sanctuary throughout the day before returning to the neighborhood for a good night's rest. Several of the rooms in the neighborhood—Meow Manor, Calico Cottage, and Tuxedo Towers—as well as the neighborhood itself, are available for naming.

Healing Paws Medical Center

RESERVED

Our state-of-the-art medical suite, with adjoining surgery and treatment rooms, allows us to provide our cats and kittens with timely, first-class veterinary care. Spay and neuter surgeries, wellness exams, vaccinations, and more are all delivered on site, with minimal stress to our patients. At **Healing Paws Medical Center**, our staff get our cats and kittens back up on their paws again and make sure they are healthy and ready for adoption.

The Cat Clinic

AVAILABLE

In any shelter environment with community cat rooms, it is essential to have an isolation room where cats who exhibit signs of illness can be evaluated and treated apart from the rest of the population. In the **Cat Clinic**, cats are able to recuperate in a peaceful room where sunny windows aid in the healing process. The clinic has its own dedicated ventilation system, sink, and storage areas.

The Pride Pantry

AVAILABLE

The kitchen is the heart of any home, and it is here in the **Pride Pantry** that our team members prepare meals for every cat and kitten. The Pride Pantry is stocked with nutritious food and tempting treats for all of our guests, as well as special diets for those with tender tummies and other individual needs.

The Community Room

AVAILABLE

This large, inviting space serves as an enrichment room for our cats, offering an abundance of horizontal and vertical opportunities for fun. Ramps and ledges invite them to move and explore, providing both mental and physical stimulation to ensure that they thrive while at Pet Pride. Cats who enjoy the companionship of other cats find new friends here, while more independent souls can curl up in cozy wall cubbies. With the cats' permission, this room is also used for meetings, classes, and special events.

The Woodland Catios

ONE RESERVED, TWO AVAILABLE

There is something enchanted about our wooded lot, and whether they are watching birds or spying on squirrels, our cats love lounging in our **Woodland Catios**. The three large enclosures made of sturdy redwood are directly accessible to our cats through safe cat passageways, and they offer fresh air, sunshine, and plenty of ledges and perches for climbing and cat napping. Here our guests can engage all of their senses and enjoy the outdoors in a protected, open-air environment.

Meet-and-Greet Rooms 1 & 2

RESERVED

This is where the magic happens, where adoptable cats and kittens connect with loving humans who have come to Pet Pride in search of a new, furry family member. These private spaces give prospective adopters the chance to interact with individual cats and kittens and, with the help of our experienced team members, choose their new best friend.

Naming opportunities are available at a range of gift levels. We would be proud to hang a plaque in your honor, or in honor or memory of a loved one, to acknowledge your generosity. Please contact Gail at philanthropy@petprideny.org or at (585) 749-5101 for more information.
