

Who We Are

- Pet Pride of New York, Inc. is a 501 (c) (3) not for profit no kill cat shelter in Victor, New York dedicated to the health and wellness of cats and kittens available for adoption.
- Our main priority is providing a safe and enriching environment for cats in a forever home. We adopt cats into new and loving homes with the intent that they will receive the care and attention they need for the rest of their lives.
- Founded in 1977, Pet Pride operates wholly from tax-deductible donations from the public. Thanks to the generosity of our donors and supporters, we're able to provide shelter and care for as many homeless or unwanted cats as the shelter can hold.
- You can help by participating in our 13th annual golf tournament for the purpose of raising funds to support our efforts.
